

Travelodge Portfolio | UK Sites WDL 111/215100

Project type: Measured Surveys

Value: £75k

Involvement: Measured Surveys to create General Arrangement floor plans

What we did

This project included 33 Hotels, 6 of which included the adjacent public houses & restaurants. The sites were spread over the whole of the UK from Glasgow in Scotland to Plymouth in Devon.

The total NIA of all properties was over 360,000 sq. ft.

The project lead worked closely with the Client, Hotel Areas Managers & Hotel Managers to ensure that the work was carried out smoothly and at convenient times to suit each site.

General Arrangement plans for all sites were completed & issued ahead of schedule.
