**What we did**

Workplace Designs were appointed to provide a full Interior Design services on behalf of a well known UK accountancy firm. The commission focused on the design of a new open-plan office and meeting room suite. The primary focal points of the space were highlighted with the use of feature pendant lighting. WDL developed the scheme for the new office accommodation in London from concept, through tender, installation and completion. WDL specified all material, finishes, fittings & furniture. The project was delivered within the agreed time frame and within budget.
