

Executive Management Suite

Ref : WDL12

Project Type:	Interior Design & Project Management
Value:	£150,000
Involvement:	Concept and Working Design Interior Design Contractor Appointment Client Liaison Site, Contractor & Project Management Furniture Selection and Procurement

Workplace Designs were appointed to design and develop a full interior scheme from concept through to completion.

WDL presented two design scheme options to the managing director to gain approval and guidance. WDL developed the final drawings from tender to construction.

The Project Manager delivered the scheme within the 3-week programme including the installation of all loose furniture and desking. All of the furniture, fixtures and fittings were specified by WDL and procured within the budgeted market process.
