Edition | 2024

Introducing the Neptune chair, a perfect blend of Nordic minimalist style and versatility. This chair is designed to enhance any space with its sleek and contemporary aesthetic.

The Neptune chair prioritises your comfort and well-being with its ergonomic backrest which has been thoughtfully crafted with a slight curvature to align with the natural structure of your back, ensuring optimal support during extended periods of sitting. Supported by a metal leg-frame, it offers incredible strength for a small chair.

**Each leg is fitted with 'skidproof' feet which help with the reduction of scratches to most floors.**

Experience the perfect combination of style, comfort, and durability with the Neptune chair.
