

# SOLIS

Edition | 2024

Designed with utmost comfort in mind, the Solis swivel chair boasts a generous amount of padding that envelops you in a cloud of relaxation. Sink into its plush seat and feel the stress of the day melt away. To further enhance your comfort, an additional back pillow is included, providing extra support.

But comfort is not the only feature that sets this chair apart. The Solis chair also offers a 360-degree swivel function, allowing you to effortlessly turn and pivot, providing convenience and flexibility in your seating experience. Whether you need to reach for something or engage in a conversation, this chair ensures you can do so with ease.

Crafted with meticulous attention to detail, the Solis swivel chair is built to last. Its sturdy black powder coated metal base ensures stability and durability, while the soft vegan leather upholstery is not only visually appealing but also easy to clean and maintain.
