

TELLUS

Edition | 2024

Introducing the Tellus armchair, a revolutionary and exquisitely crafted club chair that exudes contemporary elegance, making it an ideal addition to your lounge or reception space.

This chair boasts a deep seat that provides unparalleled comfort, while the diamond back stitching and loose comfort cushion adds a touch of sophistication and personality.

Crafted with a sturdy black metal framework, the Tellus armchair features four legs, each equipped with adjustable stud levelling feet, ensuring stability and durability.

This sleek, chic and one-of-a-kind armchair is a must-have for anyone seeking a comfortable and stylish seating option for their office, lounge or waiting area.

Experience the ultimate in luxury and comfort with the Tellus armchair, a true masterpiece of modern design.
