

RA MEETING CHAIR

A perfect blend of comfort and style that will elevate your working experience. With its sleek metal structure and modern design, the Ra chair brings a sense of vitality to any workspace. The slim chair shell design, combined with intricate stitching patterns and added metal detailing, adds a touch of elegance to the overall aesthetic. Not only does the Ra chair provide excellent support for the user, but it also enhances the overall look and feel of the workplace.

Ra Meeting Chair | Designed for comfort, the chair is equipped with high-density cutting foam inside, ensuring a plush and supportive seating experience. The frame is constructed with sturdy steel tubing, armed for added durability, and finished in a sleek black powder coating for a sophisticated touch. With a simple mechanism, the chair offers seat height adjustment and a convenient swivel function, allowing for easy manoeuvrability. The 5-star base is available on castors or on glides, while the seat and back are upholstered in a black fabric.
