

SALA CHAIR

A versatile and practical foldable chair designed for effortless storage and perfect for temporary seating or adaptable spaces. Its sleek black mesh back ensures optimal ventilation, keeping the user cool even during extended periods of use. The thick padded seat guarantees lasting comfort, while the built-in lumbar support promotes proper posture and helps prevent back pain. Additionally, the chair features armrests for added support, making it an excellent choice for any setting.

Sala Visitor Chair | The Sala was designed with a sleek black plastic back frame and fixed arms for added support. The chair features a comfortable black mesh back and black fabric seat upholstery, ensuring a pleasant seating experience. Its 4-wheel base frame comes with black powder coated finish and PU casters, allowing for smooth and effortless movement around the workspace. Built with a durable and versatile metallic base, this chair guarantees lasting stability, making it an ideal choice for any office or visitor area.
