

SHARP *TASK CHAIR*

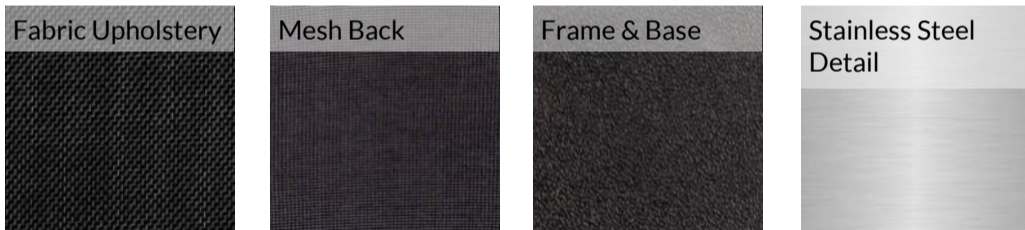

A perfect blend of comfort, style, and durability, the Sharp chair is specifically designed for all-day use, ensuring maximum comfort and support. With its neck-rest and lumbar support, it promotes proper posture and reduces strain on the body. The chair boasts a modern slim back design, featuring smooth, curved lines that exude elegance. Its sleek appearance is reminiscent of a shark, adding a touch of sophistication to any office space. Not only does it look sharp, but it also provides exceptional support for the user's back, ensuring a comfortable and ergonomic seating experience.

SHARP

Edition | 2024

Sharp Task Chair | This chair features an angle adjustable headrest, allowing you to find the perfect position for your head and neck. The black PU back frame and mesh back provide breathability and durability, while the headrest and seat are upholstered in fabric, ensuring a soft and comfortable seating experience. The chair also includes black 3D adjustable armrests with black PU arm pads, allowing you to customize your arm support. The cable control mechanism with seat slider adjustment ensures easy and convenient adjustments. The chair is supported by a black gas lift and a black 5-star nylon base with black PU casters, allowing for stability and smooth movement on various surfaces.
