

iSo-H HIGH STOOL

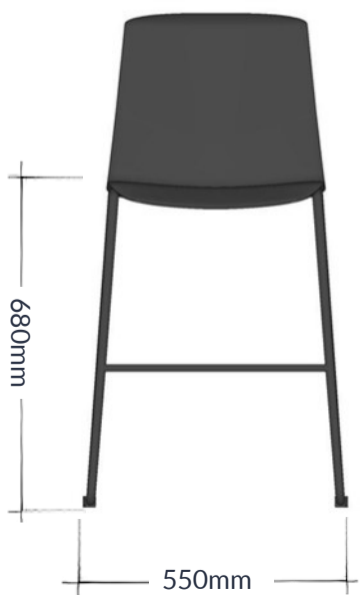

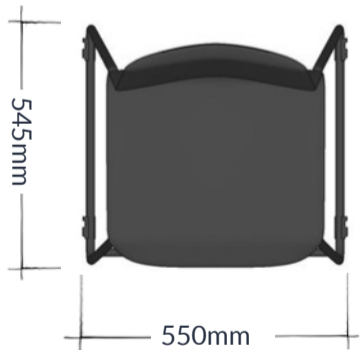

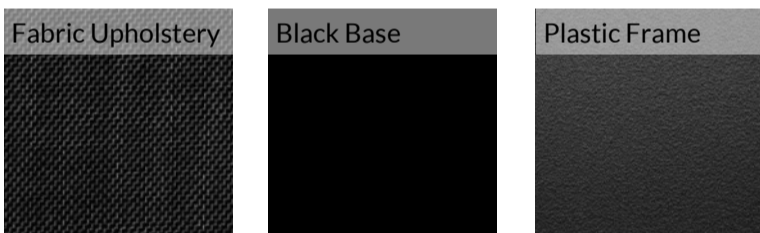

Subtly plays with geometry and shadows with its sleek PU backrest and black metal base frame. Designed for versatility, this product allows multiple pieces to be stacked together, saving valuable space when not in use. Whether it's for a collaboration area or a dining space, this product is an exceptional choice. Its modern design & space-saving feature make it a practical and elegant addition to any environment.

iSo-H

Edition | 2024

iSo-H high stool | A fully practical and stylish high stool, designed to enhance any space. Crafted with a polypropylene fibre backrest and seat, the chair also includes an upholstered fabric seat cushion for added comfort. The 12mm solid steel tube, coated in black powder, gives the chair a visually light and airy appearance, while the clean sled base design allows for easy stacking, making it convenient for storage when needed.
