

iSo-M MEETING CHAIR

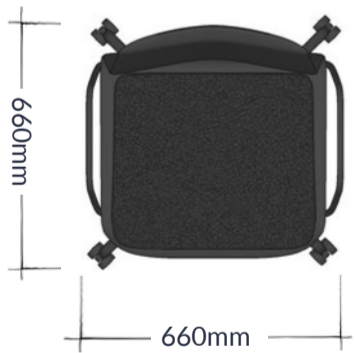

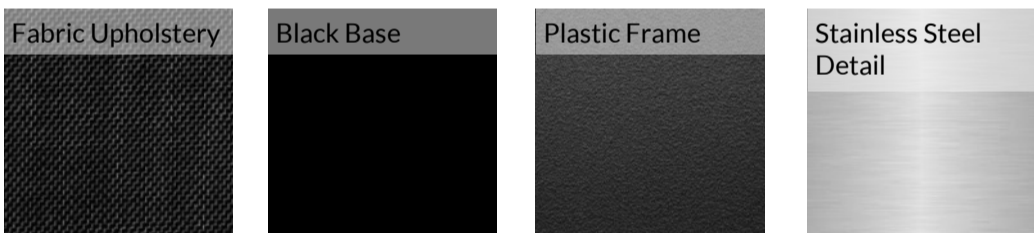

An elegant chair that combines flexibility and comfort, making it a versatile option for collaborative or meeting spaces. Designed with contemporary aesthetics, it seamlessly blends into any multi-functional environment. Its ergonomic features ensure optimal comfort during long hours of use. With its sleek design and ease of use, this chair is a perfect choice for modern workspaces.

iSo-M

Edition | 2024

iSo-M Meeting Chair | Crafted with a moulded polypropylene fibre black backrest seamlessly curving into the seat base, this chair offers a comfortable seating experience. The PA mechanism with self-developed molds ensures smooth movement without a locking function, allowing for a flexible back angle of 100°. The chair features a black fabric padded seat and a black powder coated metal frame with fixed armrests. Designed for versatility, the iSo-M chair comes with an adjustable seat height function, allowing you to customize it according to your preference. It is built on a durable 4-leg frame and offers the option of castors or glides, providing mobility or stability as per your needs.
